Purpose of Challenge

CHALLENGE aims to report the Good News of Salvation through the Lord Jesus Christ, and to show that He is the answer to Man's need for the individual, national and international point of view.

All this is presented in a style and layout which is easily assimilated and attractive to the non-Christian. Many of our readers may have odd ideas about the Church and anything 'churchy', but nearly all are ready to read news of what God is doing today through believing Christians.

We prefer testimonies to our Lord's saving power which have stood for about a year before reporting them. We prefer more current testimonies (i.e. less than 10 years old), but this is not a requirement as God can use any story no matter how old.

Many people are able to testify about the way the Lord has led them to completely new attitudes to situations and people both at home and at work. For instance, some can testify to the change that came over their driving habits, their relationships with colleagues at work or the family at home.

DON'T BE GLIB. Tell people the truth about yourself – your failures, your problems, your hopes – and people will believe what you have to say about your faith.

If you need extra space please continue on the back of the page or another piece of paper.
