

DEVOTION

Luke 10:2

“Then He said to them, the harvest truly is great, but the labourers are few. Therefore pray to the Lord of the harvest that He may send forth labourers into His harvest.”

The harvest is truly great: In 2010 there is an estimated 6.8 billion people in the world, of which an estimated 3.5 billion people who have never heard the gospel. There has never been a greater opportunity in history to be involved in the harvest.

Labourers few: The Lord is willing to send labourers into the harvest but the labourers are not willing to go, as less than 10% of born again Christians share their faith.

Therefore pray: Prayer is not in response to the harvest being truly great but the labourers being few. We are to pray that labourers will hear the Lord's call on their life and will respond faithfully going out into the harvest.

PRAISE

- For Project funding that has been given for the work in Africa for printing of newspapers, and for food parcels to needy communities.
- 570,000 World cup edition newspapers already printed for South Africa and the demand to do a second print run.
- African Military Edition has been exceptionally well received and Military Christian Fellowship are looking for more papers as well as language editions.

Dear Peter [Louwrens, Military Christian Fellowship, South Africa], Thank you for the copy of the "Challenge". It is very well done and a good mixture of stories, testimonies but also riddles, comics etc..... I think it can be used in Europe as well. We can consider and discuss how we can do that.....but it is important, I think it will be helpful for the ministry in Europe. – Rainer

- Letter from our representative in Zimbabwe.
Praise be to God for the overwhelming response which we are getting from the Challenge Newspaper distribution that we conducted. We are truly encouraged by the number of people who have responded so far.

PRAISE POINTS

WOW!

I still can't believe what I just heard!

First of all, THANK YOU for your prayers. Although we left Monte with a little drizzle, by the time we arrived in Buenos Aires the weather had cleared. The sun wasn't shining and there was a serious overcast, BUT NO RAIN!

Safety-wise, despite being surrounded by what the police estimated 600,000 people in attendance, the Lord took real good care of us. We were able to hand out a total of 20,000 newspapers containing the Gospel message.

Only eternity will tell what happened when those families sat down to read the contents of that tract. We trust the seed was sown and God will bring forth the fruit in due time.

Now here's the AMAZING part. One of the staff members of Word Of Life stopped in a petrol station in Buenos Aires and ran into LIONEL MESSI (only one of the best soccer players in the world, who happens to be Argentine and playing for the national team) and gave him a copy of our World Cup Edition newspaper! As they were walking out of the fuel station they saw him sit down and read the story on the front page.

We thank God for the privilege of serving Him!

Thank you for being a part of our ministry!
