

What a privilege it is to be a part of what God is doing around the world. We recently received a number of encouraging emails regarding the use of the newspaper from the United States and also Uganda. The first is from our rep in Uganda; the second from a prison chaplain; and the third from our rep working in the prison system. We are so grateful for those who pray for this ministry regularly and realize none of this would be possible without your prayer backing.

## Rep. in Uganda

“ I have seen the Lord do great things with the distribution of the Challenge newspaper to people in all walks of life ranging from the army, police, prisons, parliamentarians, academics, pastors and Christian churches and above all the youth in schools.

The Lord has helped us to establish regular readership among the students. I have been able to interact with the Director in the Uganda People's Defense Force who testified in the Challenge Military edition through a friend and in South Africa in 2008. It was such a great opportunity discussing with him concerning the Challenge ministry which is now a Uganda

family name..... we explored a future plan of publishing the Challenge UPDF edition but this requires prayer because they would love to meet the printing costs and yet no one has come out to support the idea yet. ”

## Chaplain, Ohio, USA

“ We are truly indebted to individuals and ministries like yours who give of your time and resources to exemplify the love of Christ in a tangible form to the inmates here. I would like at this time to personally thank you on behalf of the men here for your generosity in donating a box of Challenge newspapers. They were distributed through the chapel and were also taken to death row and distributed to those who wanted them. I give you my most heart felt thanks for your “service to God” by remembering us and helping us to bring the gospel to the lost here in prison and helping to strengthen the foundation to those who are saved and growing. ”

## Rep. working in prison, USA

“ In the mail today I received salvation responses and request for material from three prisoners in Ohio. One is a 65 year old man already in prison 34 years. The other two are aged in their 20s. Two of them have written letters that are very telling of their life transformation.

We are praising the Lord that He is changing lives and ETERNAL destinations through the efforts of this wonderful team He assembled! Thank you for the time you have given that these have heard the Gospel. You will meet them one day in Heaven! ”

## PRAYER POINTS

- Continue to pray for our writers and for the Lord's inspiration as they faithfully provide articles for the paper.
- Pray for Challenge Board members as they help oversee the work of Challenge.
- Continue to pray for the Trezona family as they wait for USA visa to be granted
- Pray for Challenge team as they work to get out close to 60 different editions of the paper each year.
- Continue to pray for a editor to replace Carl Carmody. This will allow Carl to concentrate on promotion and development of the ministry.
- Pray for the finances of the work both locally and globally as we have been struggling to have sufficient finances to sustain what we do, let alone expand the work, which we are under constant pressure to do.

## PRAISE POINTS

- We are very thankful to the Lord for our volunteers who come each month to help with the wrap and posting of Challenge. Without them the paper would not go out.
- Praise God for who He is and for His faithfulness to His people. Here at Challenge we are so aware of His unconditional love and care.
- We are most excited about the many opportunities that God is giving to us to reach out with the gospel. We want to praise Him for these open doors and for all that He is going to do as a result of walking through them.
- Praise the Lord for the many opportunities Carl Carmody and Bob Walker had whilst in the United States to promote the paper.
- Praise God for the number of commitments we are seeing here in Australia and elsewhere in the world.
