

Let us give you another overview of each project area.

Australia – The Australian edition of Challenge continues to be well received but we are struggling to increase distribution as churches struggle with people and financial resources. Our present distribution figure is around 45,000 papers per month so please **pray** that we can see this climb over the 50,000 mark by the end of the year. **Pray** for Don and Lillian Kennedy, relentless promoters of Challenge on the Eastern seaboard and that we see new orders as a result of their work. **Pray** for upcoming promotion that Carl will be doing in Alice Springs, Cairns and Mount Isa in October.

India – We have been moving slowly as we work in partnership with Asia Evangelistic Fellowship. We recently put in place a new director and editor for Challenge, Sushil George, under the banner of Destiny Communications, as that is a more suitable name for the Indian context. We have been working tirelessly for the last month to develop our first fully contextualized edition of the paper which is now called **Divya Destiny** which means divine destiny. The target audience is the Hindu, which makes up around 80% of the Indian population. This can soon be viewed on our website and you will see for yourself the obvious Indian flavor of the paper. The first edition is only a small print run of 10,000 as we need to grow the budget to increase the distribution. **Pray** for Sushil George as he heads up the work and for the Destiny representative in Delhi, Joshua Lal and for our administrator in Hyderabad Nalla Edwards. Please **pray** for a good response to the paper that the Lord will continue to give us wisdom as we develop the look and content of the paper further. Please continue to **pray** for finances; that the Lord will

raise up princely givers as we endeavor to reach a country that is incredibly religious but so lost. We do **praise** the Lord for the two churches that are greatly involved in supporting this project.

United States – As many of you are aware we have moved the Trezona family to the USA to head up the new venture of establishing a Challenge office in our USA home church in Lebanon, Ohio. Andrew, Karen and their five girls, have settled in well as they navigate deductibility, drivers licenses' and social security numbers. **Pray** for Andrew as he endeavors to set up a good working database of existing users of the paper. **Pray** also for a good bank of commended contacts for Andrew to visit predominately in the States of Ohio, Kentucky and Indiana. **Pray** for the financial circumstances, which as you can imagine are very tight indeed. **Pray** for the

family in locating a home to purchase as their present rental accommodation has been sold. **Praise** the Lord for the wonderful support the Trezona family has received from Urbancrest Baptist Church. They have gone the extra mile indeed to make them feel at home. **Praise** the Lord for the encouraging responses we continue to see from the USA prison edition and the fact that this edition is fully sponsored. **Praise** the Lord for the faithful support staff working with Andrew in Doug Cornelius who has been with us now for several years as well as Jay Ratliffe and Sam Zalatoris. **Praise** the Lord for all the work that Doss and Linda Estep have put in to keep Challenge moving forward administratively.

Southern Africa – This is without a doubt our most successful area of the paper. We are generating 300,000+ papers every two months and of course it goes without saying that we could double or triple that number quite easily. **Pray** for our partner organization in Multi Ministries and in particular our Challenge Director in Cobus Britz who is soon to be married to his fiancée Christa. **Pray** for Cobus as he does his promotion of the paper in Johannesburg and surrounding districts as well as follow up to his recent visit to Cape Town. **Pray** for ongoing finances for the printing and distribution of the main edition as well as our very successful prison edition. **Praise** the Lord for follow-up that is being done by partners World Hope Prison Ministries.

Malawi – Once again Malawi is proving very good soil for the printed seed of the gospel. Under the writing and editing skills of Jonathan Newell we are putting out 50,000 papers every quarter. The paper is well received in this desperately poor country. **Pray** for Jonathan as he oversees his roles as a missionary for the Brethren Assemblies as well as the production and distribution of the Challenge paper. **Pray** for Ruth his wife and their children Joshua, Hannah and Joseph. **Praise** the Lord for Jonathan’s able assistant in Isaac who is helping to run the office, obtain testimonies and distribute the paper.

Uganda – This is a relatively new work, in partnership with Christian Fellowship Ministries Uganda and Genesis Aid in Perth. At this stage we are printing 32,000 copies of the paper each quarter some of which make it over the border into Kenya. **Pray** for David Wetaka and his wife Frida who has recently given birth to a baby boy. **Pray** for David as he promotes the paper, collects testimonies and effectively distributes the paper. **Pray** for David and his family as their financial situation is very difficult. We are looking to provide him with a new computer and camera to assist him in doing his task. **Praise** the Lord for the amazing support from Genesis Aid. **Praise** the Lord for the excellent responses we are seeing from the distribution of the paper.
